[The Political management of HIV and AIDS in South Africa: one burden too many?| Macquarie University ResearchOnline](#)

P Fourie - 2006 - minerva.mq.edu.au

Description AIDS is killing South Africans at a rate equivalent to one September 11th attack every three days. Yet the government seems intent on proffering quixotic solutions to a problem that it downplays. This book is an enquiry into the public policy response to the ...

["I have an evil child at my house": Stigma and HIV/AIDS management in a South African community](#)

C Campbell, CA Foulis... - American journal of ..., 2005 - ajph.apnpublishations.org
We examined the social roots of stigma by means of a case study of HIV/AIDS management among young people in a South African community (drawing from interviews, focus groups, and fieldworker diaries). We highlight the web of representations that sustain stigma, the ...
